

First Trust SMID Rising Dividend Achievers UCITS ETF

The First Trust SMID Rising Dividend Achievers UCITS ETF (the "Fund"), is a passively managed Fund that seeks investment results that correspond generally to the price and yield (before the Fund's fees and expenses) of the Nasdaq US Small Mid Cap Rising Dividend Achievers™ Index (the "Index"). The Index is comprised of securities in small and medium sized companies that have increased their dividends over the previous three year and five year periods, whilst exhibiting characteristic that may position them to continue to do so in future, including reporting greater earnings per share in the most recent fiscal year than the earnings per share three years prior, and a cash to debt ratio of greater than 25%. The Index is designed to provide access to a portfolio of small and mid-capitalisation income producing securities.

Fund performance is the performance of the share class since its inception, shown net of fees including re-invested dividends in the base currency of the share class which is in USD. Performance can go up as well as down, and investors may lose some or all of their capital. Returns may increase or decrease as a result of currency and exchange rate fluctuations. Please refer to the 'Risks' section on Page 3 for more details on risks associated with an investment in the fund. The share class was launched less than 5 years ago, therefore performance for some periods is not available.

¹The ongoing charges figure is based on the Fund's annual management fee, whereby the Investment Manager is responsible for the costs involved in running the Fund. In the event that the Fund's running costs exceed the stated figure the Investment Manager shall pay the excess from its own assets. The ongoing charges figure excludes portfolio transaction costs. Details of the transaction costs are available from your broker or financial advisor and at www.ftgportfolios.com. The figure may vary from year to year.

- The Index begins with the stocks in the Nasdaq US Mid Cap™ Index and the Nasdaq US Small Cap™ Index and eliminates those companies classified as a Real Estate Investment Trust by the Industry Classification Benchmark.
- To be eligible for inclusion in the Index, companies must have:
 - a minimum three-month average daily dollar trading volume of \$2 million;
 - a minimum market cap of \$1 billion;
 - paid a dividend in the trailing twelve-month period greater than the dividend paid in the trailing twelve-month period three and five years prior;
 - positive earnings per share in the most recent fiscal year greater than the earnings per share three fiscal years prior a cash to debt ratio greater than 25%; and
 - a trailing twelve-month period payout ratio no greater than 65%.
- Eligible securities are ranked by a combined factor of dollar dividend increase over the previous five year period, current dividend yield, and payout ratio.
- The 100 eligible securities with the lowest aggregated rank are selected for inclusion in the index, subject to a maximum of 30% from any one sector and 75% from the Nasdaq US Mid Cap™ Index and the Nasdaq US Small Cap™ Index.
- The index stocks are equally weighted initially and on each rebalancing effective date.
- The index is reconstituted annually and rebalanced quarterly.
