

First Trust US Momentum UCITS ETF

The First Trust US Momentum UCITS ETF (the "Fund") is a passively managed index-tracking fund that seeks investment results that correspond generally to the price and yield (before the Fund's fees and expenses) of the US Momentum iINDEX Index (the "Index"). The index is a modified market capitalisation weighted index that consists of 180 companies with the highest momentum rating as defined by the Index Provider (described below) selected from the largest 750 companies traded in the US markets.

Fund performance is the performance of the share class since its inception, shown net of fees including re-invested dividends in the base currency of the share class which is in USD. Performance can go up as well as down, and investors may lose some or all of their capital. Returns may increase or decrease as a result of currency and exchange rate fluctuations. Please refer to the 'Risks' section on Page 3 for more details on risks associated with an investment in the fund. The share class was launched less than 5 years ago, therefore performance for some periods is not available.

¹The ongoing charges figure is based on the Fund's annual management fee, whereby the Investment Manager is responsible for the costs involved in running the Fund. In the event that the Fund's running costs exceed the stated figure the Investment Manager shall pay the excess from its own assets. The ongoing charges figure excludes portfolio transaction costs. Details of the transaction costs are available from your broker or financial advisor and at www.ftgportfolios.com. The figure may vary from year to year.

- Companies eligible for inclusion in the Index are traded in the US markets, have securities denominated in USD and have a minimum market capitalisation of \$2 billion and a minimum average daily trading volume of \$1 million over the previous 12 months.
- Eligible companies are then subject to screens to exclude any company which is in the top decile of two of two of the following categories: i. highest price-to-sales ratio; ii. highest debt-to-balance sheet ratio; and iii. highest daily return volatility over the previous 12 months.
- The remaining companies are then ranked using a momentum ranking which considers each company's i. share price relative to its 8-month average share price; and ii. 50-day average share price relative to its 200-day average share price.
- The securities of the 180 highest ranked companies are then selected for inclusion subject to no more than 40 companies per GICS sector being included in the Index.
- The maximum weight is capped at 3% per security, based on market capitalization and adjustments for risk factors: extreme sales multipliers, profitability, relative stock volatility, and relative leverage levels.
- The Index is rebalanced quarterly in March, June, September and December.

Risks

- **The Fund may not achieve its investment objective and the value of shares in the Fund may fall.**
- Neither First Trust Global Portfolios Management Limited ("FTGPM") nor any of its affiliates, guarantees the performance or the future returns of the Fund.
- There is no assurance that the Index will continue to be calculated and published on the basis described in the Prospectus. In addition, the Fund's return may not match the return of the Index.
- See also the description of the risks applicable to the Fund in "Risk Factors" in the Prospectus.

Important Information

This marketing communication is issued by First Trust Global Portfolios Management Limited ("FTGPM") whose place of business is Fitzwilliam Hall, Fitzwilliam Place, Dublin 2, D02 T292. FTGPM is authorised and regulated by the Central Bank of Ireland ("CBI") (C185737). The Fund is also regulated by the CBI.

Nothing contained herein constitutes investment, legal, tax or other advice and it is not to be solely relied on in making an investment or other decision, nor does the document implicitly or explicitly recommend or suggest an investment strategy, reach conclusions in relation to an investment strategy for the reader, or provide any opinions as to the present or future value or price of any fund. It is not an invitation, offer, or solicitation to engage in any investment activity, including making an investment in the Fund, nor does the information, recommendations or opinions expressed herein constitute an offer for sale of the Fund.

The Fund is an open-ended sub-fund of First Trust Global Funds PLC (the "Company"), an umbrella UCITS fund with segregated liability between sub-funds, incorporated with limited liability as an investment company with variable capital under the laws of Ireland with UCITS registered number 514357.

The material in this marketing communication is not comprehensive and must therefore be read in conjunction with the Fund's prospectus, the relevant supplement, and the UCITS key investor information document ("KIID") which contains material information not contained herein, including the terms of investment and information regarding investment risks and restrictions, fees and expenses and conflicts of interests. Potential investors should pay particular attention to the risk disclosures in the "Risk Factors" section of the Fund's prospectus and supplement (available in English) and KIIDs (available for each share class of each of the sub-funds of the Company and in one of the official languages of each of the EU Member States into which each sub-fund has been notified for marketing under the Directive 2009/65/EC (the UCITS Directive)). No assurance can be given that the Fund's investment objective will be achieved or that the Fund will generate a positive return. Please contact First Trust Global Portfolios Limited ("FTGP"), the distributor of the Fund, or visit www.ftglobalportfolios.com to obtain the Fund's prospectus, supplement and KIID. Investors and potential investors can obtain a summary in English of investor rights and information on access to collective redress mechanisms in the event of litigation at the following website: https://www.ftglobalportfolios.com/Content/SUMMARY_OF_INVESTOR_RIGHTS.

The Fund is currently notified for marketing into a number of EU Member States under the UCITS Directive. The Company may however decide to terminate the arrangements made for the marketing of any share class of the Fund at any time using the process contained in the UCITS Directive.

Any UCITS ETF's units / shares purchased on the secondary market cannot usually be sold directly back to UCITS ETF. Investors must buy and sell units / shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees for doing so. In addition, investors may pay more than the current net asset value when buying units / shares and may receive less than the current net asset value when selling them.

The Company's portfolio holdings policy is designed to be transparent, whilst being in the best interest of the Fund and protecting the confidentiality of each Fund's portfolio holdings. The full portfolio holdings for the Fund shall generally be available daily, with a one-day lag, on www.ftglobalportfolios.com. Any portfolio holdings information which may otherwise be provided on request shall be provided on a confidential basis.

The Index which the Fund seeks to track is compiled by iINDEX Research and Development indices Ltd. ("iINDEX Research"). iINDEX Research is not affiliated with the Company or the Investment Manager.
