Stock Highlight

Acciona SA (ANA) owns and operates the 2nd largest wind and solar generation portfolio in Spain along with operations in the US, South America, Asia Pac and the Rest of Europe with a total renewable portfolio capacity of over 11GW in operation. Acciona has continued to invest in developing clean energy solutions and shifted their core business model away from construction and other activities towards renewable energy. In addition to continuing to grow its renewable generation, Acciona is now focussed on developing renewable energy based solutions to assist with climate transition and decarbonisation. These include providing innovative as-used PPA structures for corporates wanting 100% clean energy by usage as well as being a first mover in the development of integrated green hydrogen production and distribution systems.
